If this Service Contract is canceled within 60 days of the **Purchase Date**, a 100% refund of the **Service Contract Price** will be made less any claims paid on this Service Contract. The pro-rata refund will be calculated by multiplying the **Service Contract Price** by the lesser percentage of: (a) the unused days within the **Term Months** divided by the total days within the **Term Months** of **Your** Service Contract Term; or (b) the unused **Term Miles** divided by the total **Term Miles** of **Your** Service Contract Term; less an administrative fee of \$50. If this Service Contract is canceled by **Us**, no administrative fee will be charged. For refund calculations, if the Service Contract is canceled by **Us**, all references to 60 days are replaced with 90 days.

You authorize that all refunds will be paid to the Lienholder/Lessor/Payment Plan Provider if any, otherwise the refund will be paid to **You**. If this Service Contract is canceled by **You** or the Lienholder/Lessor/Payment Plan Provider, the refund, if any, will be paid or credited no more than 30 days from receipt of the cancellation notice by the **Selling Dealer**, **Administrator** or **Us**, whichever occurs first.
